Dear Attorney General

<body text 100 words max>

Wendy Galarza is a dedicated childcare worker. Through her work, she strives to create a kinder and more compassionate society. It's an especially important goal in a context where women are often abused and killed for being women.

On 9 November 2020, Wendy, too, nearly lost her life to such violence. She attended a feminist march in Cancún where police fired shots and she was wounded. She launched a case against the police, but those responsible for the violence have not been brought to justice. Show Wendy that you take violence against women seriously. Impartially and thoroughly investigate the violations that she suffered, and ensure that all those responsible are brought to justice.

Yours sincerely
